Thank you for visiting. Enjoy Error: This content requires Adobe Reader Error: This content requires Adobe Acrobat XI Pro Extractor Pro 5.1 is a Java based software designed to assist you in your extracting process in minutes. This software can extract the following type of archives: ZIP, 7z, ISO, RAR, ARC, CAB, VCD, IMG, MMF, LZH, UUE, TAR and WIM, without any problem. You can extract from the database of the software or you can extract directly from the disk with the help of a wizard. The program only works with the EXE file of the archive. The file must be at least 5MB. Only one file can be extracted at a time. The software gives you the exact number of files in the archive, the size of each file, and other important information about the archive. IMG Extractor Professional is a Java based software designed to assist you in your extracting process in minutes. This software can extract the following type of archives: ZIP, 7z, ISO, RAR, ARC, CAB f3e1b3768c
