Origin of the name DALLAS. Dallis is of Scandinavian origin, from the elements Dal, meaning 'valley', and los, 'fort'. In modern Danish the name means 'in the valley'. There is a legend that the person bearing this name, being from Denmark, was the child of Christian and a peasant woman of Calvada. At the christening the bishop told him to bear the name as being his name the child would be a great warrior, but he should not be ashamed of a simple peasant birth. The name was then adopted by the Danish queen, Elisabeth of Pomerania. Other recorded meanings of the name are 'grandson of Denmark'. Famous bearers of the name include Dale Earnhardt, "The King of Car Racing", a NASCAR driver who died in a racing accident in 2001, Frank Thomas Dallis, an English stage and film actor, and General Robert E. Lee Dallis, a notable soldier of the American Civil War. SHORT FOR... DALLAS GORDON, comedian, born 16 August 1909 in New York, New York. He was the son of singer and entertainer Bud and Lila Gordon.
