Free download from Shareware Connection - Free software downloads and reviews - Page 2 Forum Moderators I have been using this since version 5.0 and I am still pleased with it. The new version has no changes or enhancements that would lead me to recommending an upgrade. 2. It has a wonderful update rate - I can reload the program and it runs at the last version. 3. It has the strongest AI engine I have used in any chess program - this means that you can play and compete against chess engines. 4. It offers many different chess modes for beginners and professionals. 5. It offers a useful save game feature which allows you to play a game and then save it and resume from where you left off. 6. Its interface is clean and easy to use. 7. Its performance is very good. 8. Its interface is very intuitive and easy to use. 9. Its speed is very good. 10. It is very stable and accurate.
