We have been successful at bringing people together from every walk of life and every city in Dallas - we want to make it possible for all of us to enjoy each other's company.  In addition to being a great place to live and play in the city, Dallas is also a thriving city to be creative and have fun. One of the things that truly sets Dallas apart from other cities is the "social experiment" it is known to be. Its creative culture, creative industries and innovative spirit has led to a thriving art community.  As we grow and increase our knowledge, we are hopeful to bring more people together in a positive and creative atmosphere. If you are looking for a dynamic city that is constantly evolving, a group of people that is fun and driven, and a city that can offer plenty of things to see, do and experience, then Dallas is the perfect place for you.Making Personal Preparedness a Priority Emergency preparedness is a big and important issue in today's world. Unfortunately, most people don't take the time to make sure they're properly prepared. As a responsible citizen, you should always be ready for an emergency, and make it a priority to prepare yourself and your family for the unexpected. What is Personal Preparedness? Personal preparedness is a matter of making sure you have the supplies you need to keep you and your family safe and comfortable in the event of a disaster, or an unexpected emergency. A family of four can run out of food in a matter of hours in the event of an emergency. A well-stocked survival kit can keep you safe for much longer.
