Grand Theft Auto 4 ESRB Rating (Rated Mature) GTA IV: The Game. Grand Theft Auto IV (also known as GTA IV and abbreviated G4) is an open world game in the Grand Theft Auto series. It was released on the PC, PlayStation 3, Wii, and Xbox 360 consoles on November 17th, 2008. The game is set in the fictional American city of San Andreas, and opens with the player in an unnamed helicopter pilot attempting to rescue a friend who is being held hostage by a local criminal organization, the Leone Family, and their two other friends were killed in this mission. Grand Theft Auto 4 contains different modes, such as single-player modes, GTA Online, public and private matches, along with the standard-mode missions that the player will perform. The game also has a fictional radio station, VinylRadio, that plays fictionalized versions of contemporary songs, and has an online multiplayer mode, called "Grand Theft Auto: San Andreas Multiplayer", that features gameplay over a dedicated server. The game was released in two editions. The first edition comes with a serial code, that can be used only to activate the game once installed. The second edition comes with a code, that can be used twice, if the code has been redeemed by the user. The game was made by Rockstar North, who is based in Edinburgh, Scotland, and it is published by Take-Two Interactive. The GTA IV game's soundtrack consists of various songs and musical compositions, with various pop and hip-hop artists, like Daughtry, The Wanted, Brandy, Busta Rhymes, and Gym Class Heroes, and remixes of various songs, like the theme song "Welcome to San Andreas" by DJ Sneak. Rockstar has announced in a press conference that the game will not be released in the format of a DVD or CD, but instead will be downloaded, like the Grand Theft Auto III, IV and V.[4] As part of the game's development, and in order to make the game more realistic, the San Andreas Police Department, along with the California Highway Patrol, was incorporated. The city of San Andreas, along with the police units, were developed by Rockstar San Diego. Gameplay: Grand Theft Auto IV(GTAIV)mainly comes under the category of open world, sandbox, and action-adventure games. GTAIV is divided into the following categories: which include Main Story,Other, and Extras. Main Story: ba244e880a
