His experience, coupled with his ready and unassuming manner, make William H. Minnick a welcome addition to the welding profession. He brings a wealth of technical knowledge and experience to the service of the Union. His fine welding skills, coupled with his ready and unassuming manner, make William H. Minnick a welcome addition to the welding profession. It is with a sense of excitement and appreciation that I wish to make this announcement to the Union as a whole. I am not only pleased to have served for many years in the Union, but it is a pleasure to know that I will be able to serve in this important office during the coming year. In addition to my position as a resident instructor, I am currently serving as chairman of the section committee of the National GMAW/FCAW joint committee. William H. Minnick is licensed to practice welding by the Wisconsin State Law Enforcement Board. He is a member of the Wisconsin State Association of Welding Engineers, Wisconsin State Bar Association, and the American Welding Society. His experience, coupled with his ready and unassuming manner, make William H. Minnick a welcome addition to the welding profession. He brings a 2d92ce491b
