

Paragon Partition Manager 9.0 is an integrated set of powerful tools specifically designed for . There is no file transfer wizard in the Personal edition. There is a registry editor, as well as a task manager. The package includes tools for working with partitions Hard Disk Manager™ Edition is an editor that removes partitions and reinstalls, and also provides all the features for managing disks. It is worth noting that Hard Disk Manager Edition (HDE) has only one edition with partitioning capabilities. But the Personal Pro edition already has tools for working with partitions.
