
Titty Titans Shaven S Meditation Session

Shaven, as usual, sat and meditated in her room. Little did she know that what started out as an ordinary meditation session would turn into rough sex. Ever since the night Shaven decided she wanted to have sex with this man, she'd wanted to do it more often. And when she did not resist, he satisfied her as best he could. But this was not enough. She wanted to be with him. Only with him. And yesterday she told him that she wanted him. And that was the best thing she'd said since they'd arrived in Las Vegas. Then he did the little that he did not refuse her. He told her that they would have sex and she accepted it.
