Perfect Computer Icons Crack For Windows

The Perfect Computer Icons Crack For Windows collection consists of 726 unique icons that will greatly improve the appearance of your products and Web sites. These icons are carefully crafted to help you communicate clearly, simply and efficiently, no

matter what your target audience. They are grouped into categories that are most commonly used in the IT industry and come in high resolution, stock versions in PNG and BMP formats. Each icon in the collection is uniquely prepared and meticulously designed by one of the best icon artists of our time. They are carefully arranged into a set of standard categories - Desktop, Windows, Office, Business, Networking, News, Shopping, Web and others. Almost all icons are prepared in the highest resolution (24x24) to save

designers from hard work. They are further divided into other resolutions (16x16, 32x32 and 48x48) to suit the target audience and application requirement. In addition, each icon comes in multiple formats (BMP, PNG, GIF and ICO) so that you can use them in applications that require file size limits, such as mobile devices. For each icon there is a small description that includes useful details such as the original size, color depth, and states. Besides being a practical tool for designers, developers and artists, the icons are a great

source of inspiration that can help you come up with new ideas, concepts and designs. Perfect Computer Icons What's New: - All icons were re-created and redesigned, using advanced graphics tools. - All icons were drawn in vectors and imported into Illustrator or Adobe Photoshop for advanced retouching and texturing. - All icons were prepared in the highest resolution (24x24) to fit the requirements of modern mobile devices. - Each icon comes in 3 formats (BMP, PNG, and ICO) so that you can use them in applications
