System Requirements For ESSR Player DLL:

* I can't send to the PC, so I made an account on the PS3 so it could send to the PC. * I know the steps to make my game region free, but for some reason the game doesn't work at all and doesn't find the.exe or.iso file, so I can't do the steps. * If I could do those steps, it would be cool. * I don't care if I have to redownload or not, that's fine. I have the PS3 CD version and
