How to cook heirloom tomatoes

You'll want to limit yourself to no more than a dozen or so fresh heirloom tomatoes per trip to the market. Resist the temptation to buy more than one. They can be done on any number of different ways to make the perfect, mouth-watering tomato dish. And no matter how you choose to do them, the tomato itself is the star. If you are on a budget, use canned heirloom tomatoes that have been refrigerated and

drained well. The seasonings and the juices from the can will easily translate into a killer dish. You're buying a particular season of tomatoes and knowing that they will be great when you cook them is important. You can make a creamy soup or sauce (a few of my favorite recipes follow). Drizzle with olive oil and a squeeze of lemon or lime juice. Scatter cheese over top. Drench in a rich tomato sauce or marinara sauce.

Top with balsamic vinegar.

Bake, grill, saute or roast. All work perfectly. To bake: Toss tomatoes with a good sea salt, black pepper and olive oil.

Spread on a cookie sheet, close to the broiler. Broil for 15 to 20 minutes, rotating after 10 minutes. Serve hot, warm or at room temperature. To grill: Toss tomatoes with a good sea salt, black pepper and olive oil. Place directly on the grill. Cook for 10 minutes on each side. Serve hot,

warm or at room temperature.

To saute: Toss tomatoes with a good sea salt, black pepper and olive oil. Place directly in a hot skillet (on the stove top or on the grill grates). Brown and chop the tomatoes as you are doing them. Add to your favorite spaghetti sauce.

To roast: Preheat oven to 375 degrees. Toss tomatoes with a good sea salt, black pepper and olive oil. Place directly on the oven rack. Roast for about 40 minutes.

Serve hot, warm or at
