
5/5. T-Airline @x_plane_ Reply: The add ons are working, I have changed all the add ons, and changed my Xplane to the MSFS v2. Reply: Thanks @x_plane_, I've been able to put the add ons back. So now, I have the stock 737-200 on MSFS 10.9, and everything seems to work. But I couldn't figure out how to activate the X-Plane add ons without all the other modders changing Addons like the last x-plane I had a good time in, but it's been a while.
