Efficient Performance & productivity Elegant & Simple Rating: June 10, 2017 QuickBooks 2018 4 Productivity, Performance, Vision Matt R. Vendor Windows Posted: May 18, 2017 Pros: Well designed, easy to use, easy to understand how to do the options. I am very happy with it. Cons: Like any of these programs you have to learn how to use it and the learning curve is higher than other programs I have used. But if you have someone to help guide you, it is not difficult. Super easy to import/export and delete items Rating: April 28, 2017 QuickBooks 5 Productivity, Vision Elena P. Vendor Windows Posted: April 13, 2017 Pros: Very good all-in-one product. We are using it for 4 years. It helps us to manage our clients, suppliers and our own projects. We can share our financial reports with our clients. Cons: We never had any problems with it. Ease of use and great performance Rating: January 22, 2017 QuickBooks Desktop 5 Productivity, Vision William M. IT Professional Web Applications, Windows Posted: November 26, 2016 Pros: Can customize for what you need for daily operations. Cons: It took a while to get used to the software. Don't know the name for the background picture that you can place on your monitor. You have to find it and it takes some time to figure out where it is. In the backgrounds it can't be changed but it would be nice to be able to change the color scheme. I can't get into the backgrounds. I need help with this but can't find it. Efficient and easy to use Rating: October 23, 2016 Folio Pro 5 Folio Pro Darin K. Vendor Windows Posted: October 22, 2016 Pros: The simple but effective UI makes it easy to access all the features. The customizations are powerful and user friendly. It has saved my company a ton of time and money.
