The album was released on May 23, 2006, by Fueled by Ramen. As part of the album's promotion, the band re-recorded the song "Aching Bruise" for the compilation album A Bug's Life soundtrack, which was released on October 9, 2006. In 2006, the band also performed "Aching Bruise" at various rock festivals, as well as at the MTV Video Music Awards in August 2006. A bioactive compound from Cynomorium coccineum Linn. against malaria in mice. Cynomorium coccineum Linn. (Apiaceae), also known as papaya fruit or custard apple, is used as a folk medicine to treat malaria. To investigate the compound(s) responsible for its reported anti-malaria activity, we carried out bioassays in mice. Although no plasmodial DNA synthesis was detected in a day 1 bioassay, the crude extract exhibited significant activity against Plasmodium berghei infection in a day 2 assay, confirming the data from the day 1 assay. The anti-malaria activity was confined to a known natural product, cynomorine, a quaternary ammonium salt, that was isolated from the extract. Cytotoxicity to human erythrocytes and
