System Requirements:

(Standard requirements for Windows) You need an Intel Pentium 4 CPU with a speed of 2 GHz or higher This does not require a lot of RAM since a standard memory of 2 GB will be sufficient, but of course the better the RAM the better the experience. If you want to improve the experience even more, we recommend the following hardware: For 2 GB of RAM: With these hardware requirements, you will have an experience that is close to that of a
