I love a little bit of everything in life, in particular art, food, film and even cats.I just so happen to like movies and cats more than most people. And, I love to write. Well, I do...sometimes. But, I am mostly so excited to work on this exciting and new project that I don't care who reads it or what they think about it. I have always loved being different, and being me, and I feel like this experience will help me do that. I want to become the best I can be 3e33713323
