AppSpy takes a look at AG Drive in their latest video review. Giving it top marks and only dinging it for not having universal search. However, the fact that it can upload directly to Dropbox, Google Drive, & Box is a nice feature. AppSpy looks at AG Drive 3, a file hosting service that is focused on privacy and security. It is also ad-free with no annoying banner or popup ads. The app also has a premium version and will run you a handsome \$4.99 a month or \$49.99 a year with a one-time fee of \$5. It helps you to keep your personal files safe, private and secure. 09e8f5149f

You may already know that while the idea behind urban renewal has been around since the 1960's, it has been a fairly new movement for the past twenty years. This was driven by the incredible success of the renewal of downtown Detroit with the 'renaissance downtown' movement. And just last year, the first urban renewal plan was approved for Canada's capital region. The urban renewal plan for the core area of the Windsor-Essex County region begins a process of creating the entire region and the
