April 27, 2021 - Welcome to Adobe InDesign CS3. This document contains the latest product information, updates, and troubleshooting tips not covered in . Adobe InDesign is a professional publishing/editing product that lets you create, edit, publish, view, edit, and print professional-quality documents in a variety of design charts. We are not only a developer, but also a publisher, so user feedback is extremely important to us. To help you resolve any issues you may have, we'd be happy to answer any questions you might have.
