I have tried almost all things posted on net.ICYMI -- as in, since your last post. It's been a while since I made a late post. But, I've been so busy editing and planning, my poor little brain didn't have enough time. I've been invited to make a guest post on the Small Business Trends blog for my next guest post. They are hosting a guest post series on subjects that they'd like small business owners to think about as they prep for the holiday season. While all the guest post series posts relate to Small Business Trends blog subscribers, my topic is going to be different. My topic is simply marketing during the holiday season. What to eat during a simple fast It's easy to grab quick snacks from the vending machine as you commute to work, or to pick up a takeaway from a restaurant after work, but if you know the impact it can have on your energy levels and focus the next time you head to the supermarket, you may decide to skip the impulse buys and head straight to the aisles for a better selection. Many people, if they are adopting a dietary lifestyle, get training around eating through a window of time. So, instead of day eating and day fasting, they fast on certain days of the week. A simple fast can help clear the mind and give your body a break from eating and drinking. It will also stop bad food habits from developing such as snacking or sugary cravings. So it can help you maintain a well-balanced diet throughout the week. A simple fast is just what it says it is – just eat during that window of time and nothing else. So, if you only have one meal a day, that meal can be at any time of the
