What's New in the?

Tenorshare Free YouTube Downloader Is Free Download Software. The trial version of Tenorshare Free YouTube Downloader is 100% free from any adware, spyware or browser hijacker. You can use its trial version for free for a short time, but if you want to use the full version of this software, you'll have to buy it. You can buy this software with some discount or offers. Free YouTube Downloader is a lightweight and easy-to-use software solution aimed to offer you the means of saving all your favorite online movies to your PC. Appealing user interface The main window of the utility is free from clutter, and appears in a simple and sleek design that allows you to handle it with no prior experience needed. The

program displays in the main screen the ways in which you can save files, split into 'Download' and 'Online Video'. The former allows you to paste the targeted URL while the latter lets you use the browser, to access YouTube, Vimeo, Vevo, Hulu and other similar websites, locate the item, then grab it. The 'Downloaded' section shows you in the list all the videos you have downloaded to your system, allowing you to render them using the built-in player, rename or remove them from the list. At the same time, the search function lets you quickly locate an item in your list, based on a keyword. The 'Online Video' section shows you in the list all the online videos you can save to your PC, with YouTube, Vimeo, Vevo, Hulu, Mtv, DailyMotion and several other options to choose from. You also have the possibility of accessing a site that is not listed by Free YouTube Downloader. Download videos effortlessly The 'Download' option tells you that you need to copy the movie's link from your web browser and click on the 'Paste URL' button. The program will automatically copy it from clipboard, allowing you to choose the preferred format (WEBM, MP4, FLV, and others) as well as the destination folder. The downloaded videos are listed in the 'Downloaded' section, allowing you to render them using the built-in player, rename or remove them from the list. At the same time, the search function lets you quickly locate an item in your list, based on a keyword. Handy online movie grabber
