Load the NESDemo program into the computer's memory and run it for execution. The program can also be run directly from hard disk, but you will need to rewrite it to a floppy disk to install on a computer. To install a program on a computer "NESDemo" you need to run the "NESDemo.exe" file on the floppy disk and set its location on the hard drive using the program menu. The program "NESDemo" is developed on the basis of the program "NESDemo" and contains its main functions (demo and educational).
