## What's New In Raindrops?

1.13m Raindrops is a small, beautiful Windows 7 theme specially designed to bring the beauty of the rain to your desktop. The image used is black and white for a more romantic touch for your computer. Raindrops Description: 1.13m DuoGray is a great theme for the desktop, featuring gray and light blue. This is one of the best looking windows themes. It uses two images for better effect. You can change the images by resizing one of them. DuoGray description: 1.2m DuoRed is a dark theme for the computer. This theme features not only two different colors, but a black image with a subtle border. It makes use of both images and borders, which gives you more freedom to customize it. DuoRed description: 1.1m Dulcineia is a dark theme. This theme is very dark and beautiful. The theme features a very dark background with a beautiful flower on it. Dulcineia description: 1.3m Dulcid is a dark theme. It also uses two images, but it's a completely different set. Dulcid description: 1.1m Dulcinea is a dark theme. It uses a very dark gray background and a light sky image. This theme is very cool and nice. Dulcinea description: 1.4m Dylan is a black and gray theme. It features a unique border and two images. The border design is very inspired by the recent Dark UI 2. Dylan description: 1.1m Ethereal is a dark theme. This theme features 2 backgrounds, a dark background with music and some stars above it, and a lighter background with some trees and sky above it. This is a wonderful theme for windows 7. Ethereal description: 1.3m Eden is a dark theme. It features 2 backgrounds, one in a dark grey and the other one in an almost black color. Eden description: 1.5m Eon is a dark and elegant theme. The background is dark, as well as the border and most buttons and lists. The one exception is the taskbar, which is a bright color. The colors are arranged in a very elegant way. Eon description: 1.3m Eps
