Melbourne Victory ended a mini-slump to post a 3-1 win over Adelaide United at AAMI Park. John Aloisi's men have won just two of their last seven games. With Paul Agnew on the bench, Mile Jedinak was preferred at centre-back over Chris Herd, with Tom Scully tasked with filling in. A low percentage of chances were created at each end. Victory's first goal was scored by Leonardo. His cross was met at the back post by Stefan Mauk, who converted the equaliser from a tight angle. The visitors managed to generate two more chances through Gonzalo Jara and Billy Celeski before Leonardo struck again. He did so with ease, slipping in a cross after a well-worked back-and-forth between Mark Milligan and Leon Cort. Leonardo then struck his second goal with a neat finish to the roof of the net after coming off for Youssouf Hersi. The third goal came from a set piece, with Leonardo knocking down a cross from Ivan Franjic, who sent the ball into the box for Bruno Cazarine. He had some room to shoot, but curled his shot well over the crossbar. Victory secured a three-goal bonus point, with six of their last eight points coming by way of a high-scoring run. The Sky Blues will face another tough task this week when they travel to take on Sydney FC at Allianz Stadium on Thursday. But first, they'll be hoping to gain a positive result against the Reds, their city rivals. If you have used any of the resouces on this site, then you may be aware of one 4bc0debe42
