bordermovie1080p This year is over. Some were good, some not so good... Lots more to come... And here's what, I'm even afraid to imagine ... I will not talk about how terrible I am now, how tired I am of everything. It's all the way it is... And, unfortunately, only myself is to blame for this ... I can't change anything now... But, probably, I still will not give up, but I will move on, towards my dream, towards my goal ... Or maybe it's not as scary as it seems?
