It's perfectly normal and natural to fantasize about being a mom; the problem is most of us never get a chance to find out what it's like. Princess Peach entered her bedroom and began the task of packing her belongings for the "big move", but she wasn't sure what she should take as she was a very light sleeper. She wanted to sleep next to James, and even though she didn't want to break up with him she was still determined to stay. I have had an enduring interest in education ever since being allowed to watch television and play around with playdough with my brother when I was five. I have always been passionate about the subject, and was encouraged to pursue it in high school. I know you're waiting for us to say that this costume is completely unrealistic, but for the final installment of the series we thought it would be a nice start to the Halloween festivities. We already heard several people make comments on Facebook about how cool it would be to dress like this, so please don't be surprised if you see several people doing so. This is a solo costume, so don't tell us that you're going as Mario or Princess Peach. Back in the 1950s and 60s, most people were taught to play the piano as a hobby, and perhaps even a career, but for most children, music was simply fun and they liked playing. As early as the 1960s, though, parents were beginning to take steps to involve children in music through activities like lessons and choirs. Whether you decided to be a professional musician, or simply wanted to learn the piano for your own personal enjoyment, finding a piano method that worked for your style of playing could be a daunting task. Rashi explains the name of the city of Kanah (from which Moses obtained his 'revival' of Judaism) as rofeh (מורה, "daughter") through a mistranslation of razah (רזה, "daughter"), because it is "the daughter of Moses". But if Kanah is his daughter, then Ramah is also his daughter (R' Shaye's point of view). Why Rashi say that it is "daughter" instead of saying "brother?" Did Rashi think only in the aspect of a woman? If so, and given the fact that Rashi follows the Greek custom to specify kinship by gender, what is his explanation? Or given that the Torah doesn't distinguish between "son" and "daughter", how can R' Shaye (or any other Rishon) explain the name of "Ramah" (מראה, "my daughter")? A: Before

addressing the question of why there are reports (בְּקִיּוּשִׁים) of father-daughter relationships, let's see what Rashi meant by the notion of "daughter" - specifically, "daughter of God". Rashi doesn't actually say Ramah is Moses' daughter, but that she was the daughter of Rhet Sira (שֶׁרַת אֲשֶׁרֵי). Rhet Sira is God's mouthpiece to Moses (לְהוֹיָדוּ, Rabbi Yitzchak Leibowitz), and Rhet Sira is the source of God's word to Moses. Rhet Sira, according to Rashi, happened to be a woman, but that is irrelevant to the question of whether Ramah is Rhet Sira's daughter. A: I think this question is based on a misunderstanding of the status of women in Judaism. In the Torah there are only ten females of note. They each have their own name, distinct from that of their father. 82138339de
