Use these as your key, software and. When you get a message, you will get a windev 16 direct link where you can download this. WINDEV DIRECT LINK. To download these modules, you must own a registered copy of WINDEV 18.Be sure that you have an application to open this file type before downloading and/or purchasing. 9 MB|9 pages Share Product Description Puppy Challenge is the perfect start for early emerging readers to participate in a fun way with a puppy! Puppy Challenge has four levels that increase in difficulty as readers progress through the book. However, no matter what level is selected, readers will have the opportunity to earn fun stickers to unlock special prize boxes at the end of the levels. Level 1- Readers will learn to describe animals, make a simple sentence describing a current event, use some simple vocabulary, and introduce the word "puppy." Level 2- Readers will learn to create a simple sentence introducing a specific word, and using it in a sentence, which includes sounds words. Level 3- Readers will add an adjective to the word "puppy" in the current event. Level 4- Students will practice reading with the word "puppy" in a short story. The posters are designed to be laminated, and can be printed on the backside of the poster for use. For this item, the cost for one user (you) is \$3.00. If you plan to share this product with other teachers in your school, please add the number of additional users licenses that you need to purchase. Each additional license costs only \$1.50.Steve Mackey Steve Mackey (born June 28, 1968) is an American composer, bassist, record producer, and educator. Mackey was born in Waterbury, Connecticut and currently resides in the Hamden/North Haven area of Connecticut. Biography Debut as a composer Steve was a self-taught pianist who started performing professionally at the age of nine. In 1977, Steve scored his first hit record, the theme song to the hit TV show "Family Feud".
