The fact is, however, that Corll was far more inventive than any of these masters of death. A few days after the murders, Corll made a phone call from his apartment to the homicide division of the San Antonio police. He told them that the boys he killed in that city were victims of sex slavery. He was, he explained, acting as a pimp and kidnapping them from the streets. He was, he said, in the process of extorting money from them. He promised to contact the police there and to send some of the evidence, including the boys severed heads and sexual organs, if they could arrange a meeting. Corll hadnt finished. To make sure they didnt forget about him, he set up an elaborate cover story, which he told to the San Antonio papers. He said he was from the northern Mexican state of Chihuahua, and that he had run away from home with the two boys who were killed in Houston, to escape poverty. He also said he was an American citizen and that he was an international fence of stolen merchandise. The sexual element of the story, the fact that the boys were made to perform sex acts on strangers, has never been forgotten. The two American boys were the first models ever to be used on the cover of a British magazine, Playboy. Ironically, Corlls odyssey had at least the semblance of an off-the-books quality, an organized crime story that harkened back to the infamous illegal vice operations of the 1920s, when, it was said, organized crime operated out of personal residences. Lured by his bizarre notion of making money through sexual slavery, Corll undoubtedly was deeply implicated in organized crime and probably became obsessed with its operation and practices. (It was said that one of the boys he killed, an eighteen-year-old longhair who became a friend of Corlls after the brutal killings, was killed in a heroin transaction, another of Corlls secrets.) He recruited, perhaps raped, got child prostitutes to pose for photos, and probably transported the boys he killed to San Antonio with one of his escorts. When he was finally caught, he claimed to be overwhelmed, overwhelmed by the task of being a child sex slave pimper. 5ec8ef588b
